Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of PUENTE Learning Center (the Center), a nonprofit organization, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Center as of June 30, 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, and the *2022-23 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about PUENTE Learning Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor’s Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Center’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements of the Center taken as a whole. The accompanying supplementary information listed in the table of contents, required by the Education Audit Appeals Panel’s *2022-23 Guide for Annual Audits of K-12 Local Educational Agencies and State Compliance Reporting* and the *CDE Audit Guide* issued by the California Department of Education, is presented for purposes of additional analysis and not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and

reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 6, 2023 on our consideration of the Center's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the Center's June 30, 2022 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated December 6, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2022, is consistent, in all material respects, with the audited financial statements from which it has been derived.

(1) ORGANIZATION

PUENTE Learning Center (the Center) is a not-for-profit, tax-exempt, community based organization founded in 1985 and incorporated in 1989. The Center's mission is stated within its name: People United to Enrich the Neighborhood Through Education. "Puente" is also the Spanish word for "bridge." The Center offers a bridge to opportunity by addressing barriers that prevent individuals from building strong educational foundations and achieving self-sufficiency for themselves, their families, and their communities. Celebrating its 30th anniversary in 2015, the Center has provided a respectful, safe learning environment that welcomes all members of the community, regardless of age, educational background, or economic circumstances.

The campus, located in Boyle Heights, offers tuition-free classes. In its over 30 years in service to the community, approximately 100,000 students have benefited from PUENTE's programs, which include:

- Preschool Readiness
- Charter School (TK/K to fourth grade)
- Summer Intensive Reading
- After School Enrichment
- College Access
- English as a Second Language
- Adult High School Diploma
- High School Intensive Reading
- High School Credit Recovery
- Computer Applications
- Computer Repair/A+ Certification Preparation
- Veterans Job Training

Limited educational opportunities and widespread poverty profoundly affect the vitality of the neighborhoods the Center serves. These communities have a particularly urgent need for English-language instruction and supplementary educational activities, combined with job training programs that focus on specific workforce needs. Offering a blend of traditional classroom instruction and current computer technology, the Center is a vibrant resource for neighborhood empowerment and opportunity.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Presentation

The financial statements of the Center have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America.

The Center recognizes contributions as revenue in the period received. Contributions, net assets, and changes therein are classified and reported based on the existence or absence of donor-imposed restrictions. For the years ended June 30, 2023 and 2022, certain of the Center's net assets are classified as restricted. These amounts represent contributions that are limited in use in accordance with donor-imposed stipulations.

(Continued)

b) Summarized Financial Information

The financial statements include certain prior-year summarized financial information in total but not by net assets category. Such information does not include sufficient detail to constitute a presentation in conformity with U.S. GAAP. Accordingly, such information is included for informational purposes only and should be read in conjunction with the Center's June 30, 2022 financial statements from which the summarized information was derived.

c) Net Assets

The Center reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. These generally result from revenues generated by receiving unrestricted contributions, providing services, receiving rental income and receiving income from investments less expenses incurred in providing program related services, raising contributions, and performing administrative functions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Center, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. At June 30, 2023 and 2022, the Center had \$2,909,831 that the Board of Directors has designated to be used for capital expansion.

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

The Center's unspent contributions are reported in net assets with donor restrictions if the donor limited their use, as are promised contributions that are not yet due. Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in-service.

The Center's donor-restricted endowment funds, including the unspent appreciation of the endowment fund and the portion of the Center's donor-restricted endowment funds that the Center is committed to maintaining in perpetuity are classified in net assets with donor restrictions.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

(Continued)

d) Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments with original maturities of three months or less at the time of purchase. The carrying values of cash and cash equivalents at June 30, 2023 and 2022 approximate their fair values.

The Center maintains its cash and cash equivalents in bank accounts and other investment accounts, which, at times, may exceed federally insured limits. The Center has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

e) Investments

Investments in equity and debt securities with readily determinable market values are reported at fair value. The fair value of investments is valued at the closing price on the last business day of the fiscal year. Securities are generally held in custodial investment accounts administered by financial institutions.

Investment purchases and sales are accounted for on a trade-date basis. Interest and dividend income is recorded when earned. Gains or losses (including investments bought, sold, and held during the year), and interest and dividend income are reflected in the statement of activities as increases or decreases in unrestricted net assets unless their use is restricted by donor stipulations or by law.

Investments are made according to the investment policies, guidelines, and objectives adopted by the Center's Board of Directors. These guidelines provide for investments in equities, fixed income, and other securities with performance measured against appropriate indices. The investments are generally managed by outside investment managers contracted by the Center. Market values of such investments and credit ratings of bond issuers are routinely reviewed by the Board of Directors.

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain long term investments, it is reasonably possible that changes in the values of these investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position.

f) Land, Building and Equipment

Property and equipment are recorded at cost if purchased or at fair value at the date of donation if donated. Depreciation expense is computed using the straight-line method over the estimated useful lives of the related assets, as follows:

Buildings	30 Years
Furniture and Equipment	3 – 8 Years
Software	5 Years

Expenditures for repairs and maintenance are charged to operations when incurred, while major renewals and betterments are capitalized. Property and equipment are capitalized if the cost of an asset is greater than or equal to \$5,000 and the useful life is greater than one year.

(Continued)

g) Long-Lived Assets

The Center reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the book value of the assets may not be recoverable. An impairment loss is recognized when the sum of the undiscounted future cash flows is less than the carrying amount of the asset, in which case a write-down is recorded to reduce the related asset to its estimated fair value. No impairment losses were recognized on long-lived assets during the years ended June 30, 2023 and 2022.

h) Accounts Receivable

Receivables are recorded when billed or accrued and represent claims against third parties that will be settled in cash. The carrying value of receivables, net of the allowance for doubtful accounts, if any, represents their estimated net realizable value. The allowance for doubtful accounts, if any, is estimated based on historical collection trends, type of customer, the age of outstanding receivables and existing economic conditions. If events or changes in circumstances indicate that specific receivable balances may be impaired, further consideration is given to the collectability of those balances and the allowance is adjusted accordingly. Past due receivable balances are written off when internal collection efforts have been unsuccessful in collecting the amount due.

i) Contributions and Pledges Receivable

Contributions are recognized when the donor makes a promise to give to the Center that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The Center uses the allowance method to determine uncollectible promises receivable. The allowance is based on prior years' experience and management's analysis of specific promises made.

j) Net Assets Restricted to Purchase Property and Equipment

Net assets restricted to purchase property and equipment has been restricted by donors and is not available for operating purposes.

k) Revenue and Revenue Recognition

Revenue is recognized when earned as performance obligations are satisfied. The Center receives state funding based on each of the enrolled student's average daily attendance (ADA) in its school. Contributions are recognized when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. The Center's federal, state, and local contracts and grants are conditioned upon certain performance requirements and the incurrence of allowable qualifying expense.

(Continued)

l) Contributed Goods and Services

Contributions of donated non-cash assets are recorded at fair value in the period received. Contributions of donated services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation, are recorded at fair value in the period received. The Los Angeles Unified School District provides teachers and administrative support to the Center at no cost.

Contributed goods and services received by the Center during the years ended June 30, 2023 and 2022 consist of the following:

	2023	2022
Teachers and administrative support	\$ 333,555	\$ 462,965
Other donated goods and services	69,632	22,918
	\$ 403,187	\$ 485,883

m) Cost Allocation

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Accordingly, certain costs have been allocated among the programs and services benefited by a method that best measures the relative degree of benefits. The expenses that are allocated include compensation and benefits, which are allocated on the basis of estimates of time and effort, as well as indirect costs, which are allocated on a square footage basis.

The statement of functional expenses includes payments made by the Charter School Programs to the Center as lease payments for the building space occupied by the Charter School. These payments eliminate at the entity level.

n) Tax-Exempt Status

The Center is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and the corresponding California provisions.

o) Use of Estimates

The preparation of the financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

p) Date of Management’s Review

Management has evaluated subsequent events through December 6, 2023, the date the financial statements were available to be issued.

(Continued)

q) Recent Accounting Pronouncements

In February of 2016, the FASB issued ASU 2016-02, Leases (Topic 842). ASU 2016-02 to improve financial reporting about leasing transactions. The ASU affects all organizations that lease assets such as real estate and equipment. Under the new guidance, a lessee will be required to recognize assets and liabilities for leases with lease terms of more than 12 months. In June 2020, FASB issued ASU 2020-05 Revenue from Contracts with Customers (Topic 606) and Leases (Topic 842) Effective Date for Certain Entities to extend the effective date for the adoption of the accounting standards. The new standard for 2016-02 Leases become effective for fiscal years beginning after December 15, 2021. The Center adopted this guidance for the year ended June 30, 2023. The adoption of this guidance had no significant impact to the Center's financial statements for the year-ended June 30, 2023.

r) Reclassification

Certain reclassifications have been made to the June 30, 2022 financial statement presentation to correspond to the current year's format. Total net assets and change in net assets are unchanged due to these reclassifications.

(3) LIQUIDITY AND AVAILABILITY

The Center's financial assets available to meet cash needs for general expenditures within one year of the date of the statements of financial position include:

	2023	2022
Cash	\$ 1,364,210	\$ 1,012,550
Accounts receivable	489,318	472,787
Other financial assets, net	10,674,579	6,179,875
Available financial assets	\$ 12,528,107	\$ 7,665,212

As part of the Center' liquidity management, it has a policy to structure its financials assets to be available as its general expenditures, liabilities, and other obligations became due. The Center invests cash in excess of daily requirements in investment pools and money market funds.

(4) INVESTMENTS

The Center has implemented the fair value measurement accounting standard, which defines fair value for those assets (and liabilities) that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

In general, fair values determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets for identical assets (or liabilities). Fair values determined by Level 2 inputs utilize data points that are observable such as quoted prices, interest rates and yield curves. Fair values determined by Level 3 inputs utilize unobservable data points for the asset (or liability) and include situations where there is little, if any, market activity for the asset (or liability).

PUENTE Learning Center
Notes to Financial Statements
As of and for the Years Ended June 30, 2023 and 2022

(4) INVESTMENTS

The following table presents information about the Center's assets that are measured at fair value on a recurring basis at June 30, 2023 and 2022 and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

		FY 2022-23			
		Fair Value Measurements Using			
	Year ended	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
	June 30, 2023				
Common Stock	\$ 18,123,992	\$ 18,123,992	\$ -	\$ -	
Bond funds	2,595,442	2,595,442	-	-	
Equity mutual funds	2,615,399	2,615,399	-	-	
	<u>\$ 23,334,833</u>	<u>\$ 23,334,833</u>	<u>\$ -</u>	<u>\$ -</u>	
		FY 2021-22			
		Fair Value Measurements Using			
	Year ended	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	
	June 30, 2022				
Common Stock	\$ 14,313,250	\$ 14,313,250	\$ -	\$ -	
Bond funds	2,657,258	2,657,258	-	-	
Equity mutual funds	2,202,165	2,202,165	-	-	
	<u>\$ 19,172,673</u>	<u>\$ 19,172,673</u>	<u>\$ -</u>	<u>\$ -</u>	

The fair values of the marketable securities within Level 1 were obtained based on quoted market prices at the closing of the last business day of the fiscal year.

Investment income for the years ended June 30, 2023 and 2022 consist of the following:

	<u>2023</u>	<u>2022</u>
Interest and dividends	\$ 150,370	\$ 94,529
Unrealized gain (loss)	4,011,790	(1,093,972)
	<u>\$ 4,162,160</u>	<u>\$ (999,443)</u>

The Center recognizes transfers at the beginning of each reporting period. Transfers between level 1 and 2 generally relate to whether a market becomes active or inactive. Transfers between level 2 and 3 investments relate to whether significant relevant observable inputs are available for the fair value measurement in their entirety and when redemption rules become more or less restrictive. There were no transfers between levels during the years ended June 30, 2023 and 2022.

As of and for the Years Ended June 30, 2023 and 2022

(5) LAND, BUILDING AND EQUIPMENT

Property and equipment at June 30, 2023 and 2022 consist of the following:

	<u>2023</u>	<u>2022</u>
Land	\$ 2,417,714	\$ 2,417,714
Building	10,548,627	10,442,970
Software	857,584	857,584
Furniture and equipment	1,143,332	965,876
Asset work in progress	1,589,136	1,193,445
	<u>16,556,393</u>	<u>15,877,589</u>
Less: Accumulated depreciation	(9,727,076)	(9,215,234)
	<u><u>\$ 6,829,317</u></u>	<u><u>\$ 6,662,355</u></u>

Depreciation expense for the years ended June 30, 2023 and 2022 amounted to \$511,845 and \$481,046, respectively.

(6) ACCOUNTS PAYABLE AND ACCRUED EXPENSES

Accounts payable and accrued expenses at June 30, 2023 and 2022 consist of the following:

	<u>2023</u>	<u>2022</u>
Accrued vacation	\$ 212,156	\$ 153,541
Accrued payroll	88,629	59,236
Accrued other	324,161	61,263
	<u>\$ 624,946</u>	<u>\$ 274,040</u>

(7) CHARTER SCHOOL REVENUES

Charter School revenues for the years ended June 30, 2023 and 2022 consist of the following:

	<u>2023</u>	<u>2022</u>
State LCFF	\$ 2,522,194	\$ 1,389,244
State Education Protection Act	259,527	603,130
Lottery	89,667	60,290
School Nutrition Programs	152,818	152,818
Special education revenue	321,772	257,070
Local payment in lieu of property tax	927,908	719,929
Other Federal income	613,073	391,990
Other State revenue	740,061	260,455
	<u><u>\$ 5,627,020</u></u>	<u><u>\$ 3,834,926</u></u>

(8) GRANTS AND CONTRACTS

The Center's grants and contracts are subject to inspection and audit by the appropriate governmental funding agencies. The purpose is to determine whether program funds were used in accordance with their respective guidelines and regulations. The potential exists for disallowance of previously funded program costs. The ultimate liability, if any, which may result from these governmental audits cannot be reasonably estimated and, accordingly, the Center has no provision for the possible disallowance of program costs in its financial statements.

(9) ENDOWMENTS

The Center's endowments consist of funds established for a variety of purposes. Endowment funds are established by donor-restricted gifts to either provide a permanent endowment, which is to provide a permanent source of income to the Center, or a term endowment, which is to provide income for a specified period to the Center.

The Center's management has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as (1) requiring the preservation of the fair value of the original gifts as of the gift date of the donor restricted endowment funds, absent donor stipulations to the contrary and (2) allowing the spending of income and gains on permanently restricted endowments, absent explicit donor stipulations that all or a portion of such gains be maintained in perpetuity.

The primary long-term financial objective for the Center's endowments is to preserve the real (inflation-adjusted) purchasing power of endowment assets and income after accounting for endowment spending, inflation and costs of portfolio management. Performance of the overall endowment against this objective is measured over an investment horizon of five to seven years. The endowments are also managed to optimize the long run total rate of return on invested assets, assuming a prudent level of risk. The goal for this rate of return is one that funds the Center's existing spending policy and allows sufficient reinvestment to grow the endowment principal at a rate that exceeds inflation (as measured by the Consumer Price Index). Over the short term, the return for each element of the endowment portfolio should match or exceed each of the returns for the broader capital markets in which assets are invested. The Center has adopted a flexible spending policy for its endowment and elected to spend 5% of the last three years average of the fair value of these investments in the current year.

The goal of the spending policy is to better identify potential income generated from endowment and long-term investment, and to minimize the probability of eroding the principal over the long term. At June 30, 2023 and 2022, the Center's endowment net assets were \$10,450,649 and \$10,290,859, respectively.

(10) INCOME TAXES

Generally accepted accounting principles requires the Center to recognize and record the financial impact of uncertainty in income taxes and prescribes a recognition threshold and measurement attribute for the financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. It requires that an organization recognize in the financial statements the impact of the tax position if that position will more likely than not be sustained on audit, based on the technical merits of the position. It also provides guidance on derecognition, classification, interest and penalties on income taxes, accounting in interim periods and requires additional disclosures. At June 30, 2023 and 2022, the Center did not recognize any uncertain tax position.

The Center's federal and state income tax returns for 2019 and subsequent years are subject to examination by the regulatory agencies, generally for three years and four years after they were filed for federal and state, respectively. No open tax years are currently under examination.

(11) RETIREMENT PLAN

The Center sponsors a defined contribution retirement plan and a tax-deferred annuity plan [under Internal Revenue Code Section 403(b)] administered by TIAA/CREF (Teachers Insurance Annuity Association/College Retirement Equities Fund) investing in deferred group annuities. Money is contributed to TIAA/CREF and deposited in investment categories consistent with each participant's direction. Employees are eligible to participate in the defined contribution retirement plan after two years of service and in the tax-deferred annuity plan after three months of employment. The Center contributes 5% of each eligible participant's salary to the defined contribution retirement plan. For the years ended June 30, 2023 and 2022, the Center's contributions were \$72,121 and \$63,683, respectively.

(12) COMMITMENTS AND CONTINGENCIES

Regulatory and Compliance Reviews

As a tax exempt organization, the Center is subject to regulatory and compliance reviews by granting agencies and regulatory bodies at the local, state and federal level. Management believes that there are no matters as of the date of this report that would result in a material impact to the financial statements or jeopardize the tax-exempt status of the Center.

Charter School Programs

The Charter School Programs have received State and Federal funds for specific purposes that are subject to review and audit by the grantor agencies. Although such audits could generate disallowances under terms of the grants, it is believed that any reimbursement, if required, would not be material.

Schedule of Average Daily Attendance – Classroom Based
For the Year Ended June 30, 2023

Schedule of Average Daily Attendance (ADA)

Average daily attendance (ADA) is a measurement of the number of pupils attending classes of the Charter School. The purpose of attendance accounting from a fiscal standpoint is to provide the basis on which apportionments of State funds are made to charter schools. This schedule provides information regarding the attendance of students at various grade levels.

All ADA for the charter school is generated through classroom-based instruction.

<u>Grade</u>	<u>ADA Second Period Report</u>	<u>ADA Annual Report</u>
TK/K – 3rd grade	184.89	184.54
4th – 6th grade	<u>79.65</u>	<u>80.20</u>
Total	<u>264.54</u>	<u>264.74</u>

**PUENTE Learning Center
Schedule of Instructional Time
For the Year Ended June 30, 2023**

This schedule presents information on the amount of instructional time offered by the Charter School and whether the Charter School complied with the provisions of Education Code Sections 47612 and 47612.5.

<u>Grade</u>	<u>Minutes Provided</u>	<u>Minutes Required</u>	<u>Instructional Days</u>	<u>Status</u>

Footnote 1. Basis of Presentation

The *Schedule of Expenditures of Federal and State Awards* includes the expenditures of federal and state awards of PUENTE Learning Center (the Center). Expenditures are presented on the accrual basis of accounting. The Center did not incur total federal expenditures in excess of \$750,000 for the year ended June 30, 2023. Some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the financial statements.

Of the Federal expenditures presented in the schedule, the Center did not provided Federal awards to subrecipients.

PUENTE Learning Center
Notes to the Child Care and Development Programs Supplemental Information
For the Year Ended June 30, 2023

In accordance with the applicable requirements from the Funding Terms & Conditions:

1. Interest expense is only allowable as a reimbursable cost in certain circumstances when it has been preapproved by the administering state department or relates to the lease purchase, acquisition, or repair or renovation of early learning and care facilities owned or leased by the contractor. No interest expense was claimed to a child development contract for the year ended June 30, 2023.
2. All expenses claimed for reimbursement under a related party rent transaction must be supported by a fair market rental estimate from an independent appraiser, licensed by the California Office of Real Estate Appraisers. No related party rent expense was claimed to a child development contract for the year ended June 30, 2023.
3. Bad debt expense is unallowable unless it relates to uncollected family fees where documentation of adequate collection attempts exists. No bad debt expense was claimed to a child development contract for the year ended June 30, 2023.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
PUENTE Learning Center
Los Angeles, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of PUENTE Learning Center (the Center), a nonprofit organization, which comprise the statement financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to financial statements, and have issued our report thereon dated December 6, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Center's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we do not express an opinion on the effectiveness of the Center's internal control.

A *deficiency in internal control exists* when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Center’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Center’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Center’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Pasadena, California

INDEPENDENT AUDITOR'S REPORT ON STATE COMPLIANCE

Board of Directors
PUENTE Learning Center
Los Angeles, California

Report on State Compliance

Opinion on State Program

We have audited the PUENTE Learning Center's (the Center) compliance with the requirements as described in the Education Audit Appeals Panel's *2022-23 Guide for Annual Audits of K-12 Local Educational Agencies and State Compliance Reporting* that could have a direct and material effect on the Center's state programs for the year ended June 30, 2023. The Center's state programs are identified below.

In our opinion, the Center complied, in all material respects, with the types of compliance requirements referred to above for the year ended June 30, 2023.

Basis for Opinion on State Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements as described in the Education Audit Appeals Panel's *2022-23 Guide for Annual Audits of K-12 Local Educational Agencies and State Compliance Reporting*. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Center and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the Center's state programs. Our audit does not provide a legal determination of the Center's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Center's state program.

Auditor's Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Center's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the *2022-23 Guide for Annual Audits of K-12 Local Educational Agencies and State Compliance Reporting* will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Center's compliance with the requirements of the state programs as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the *2022-23 Guide for Annual Audits of K-12 Local Educational Agencies and State Compliance Reporting*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Center's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Center's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the *2022-23 Guide for Annual Audits of K-12 Local Educational Agencies and State Compliance Reporting*, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control over compliance. Accordingly, no such opinion is expressed.
- Select and test transactions and records to determine the Center's compliance with the state laws and regulations applicable to the following items:

<u>Description</u>	<u>Procedures Performed</u>

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above. However, material weaknesses may exist that have not been identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the *2022-23 Guide for Annual Audits of K-12 Local Education Agencies and State Compliance Reporting*. Accordingly, this report is not suitable for any other purpose.

**PUENTE LEARNING CENTER
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2023**

Component 1 – Summary of Auditor’s Results:

The audit of Puente Learning Center June 30, 2023 financial statements resulted in an unmodified opinion.

The audit for year ended June 30, 2023 disclosed no instances of reportable conditions in internal control and noncompliance which are material to the financial statements.

Major Program:

Not applicable – not a Uniform Guidance Audit.

Dollar threshold used to distinguish between Type A and B programs:

Not applicable – not a Uniform Guidance Audit.

Low-risk auditee under Section 200 of the Uniform Guidance:

Not applicable – not a Uniform Guidance Audit.

Questioned Costs:

None.

Component 2 – Findings Related to the Financial Statements Reported in Accordance with Government Auditing Standards:

This section identifies the significant deficiencies, material weaknesses, and instances of noncompliance related to the financial statement that are required to be reported in accordance with *Government Auditing Standards*.

There were no matters reported for the year ended June 30, 2023.

Component 3 – Findings and Questioned Costs Relating to Federal Awards:

Not applicable – not a Uniform Guidance Audit.

Component 4 – Status of Prior Year Audit Findings:

There were no findings or questioned costs for prior year ended June 30, 2022.
