About the event

Join us in celebrating 40 years of transformation at PUENTE Learning Center's Anniversary Gala, Bridging Generations — 40 Years of PUENTE.

During this unforgettable evening we will present Rich Webster with the Riordan Community Impact Award in honor of his remarkable dedication and unwavering commitment to improving conditions for our students and families.

Guests will enjoy a program rooted in community and growth as students, families, and honorees share powerful stories of how PUENTE has opened pathways to education for thousands—across generations.

The evening begins at 6 p.m. at the historic Los Angeles River Center and Gardens with a vibrant cocktail hour and silent auction, followed by an elegant dinner and inspiring program.

Special community activations will offer a window into PUENTE's journey—revealing what's possible when we come together to uplift and empower. Just as a butterfly's flight begins in stillness, your support helps spark transformation that ripples across lives and generations.

Don't miss this evening filled with joy, hope, and purpose—as we raise essential funds to carry PUENTE's mission into the next 40 years.

RICH WEBSTER
RIORDAN
COMMUNITY IMPACT
AWARD

Rich Webster serves as Co-President and Board Member at the Helen and Will Webster Foundation, named after his parents. “My family and I have supported PUENTE Learning Center for many years because we firmly believe in the power of education to improve lives,” says Rich. “Everyone should have the tools to succeed, no matter their zip code, income, or ethnic background. Now more than ever, nonprofits must nurture the trust and confidence of their clients, and PUENTE continues to do just that.”
